

## Output:

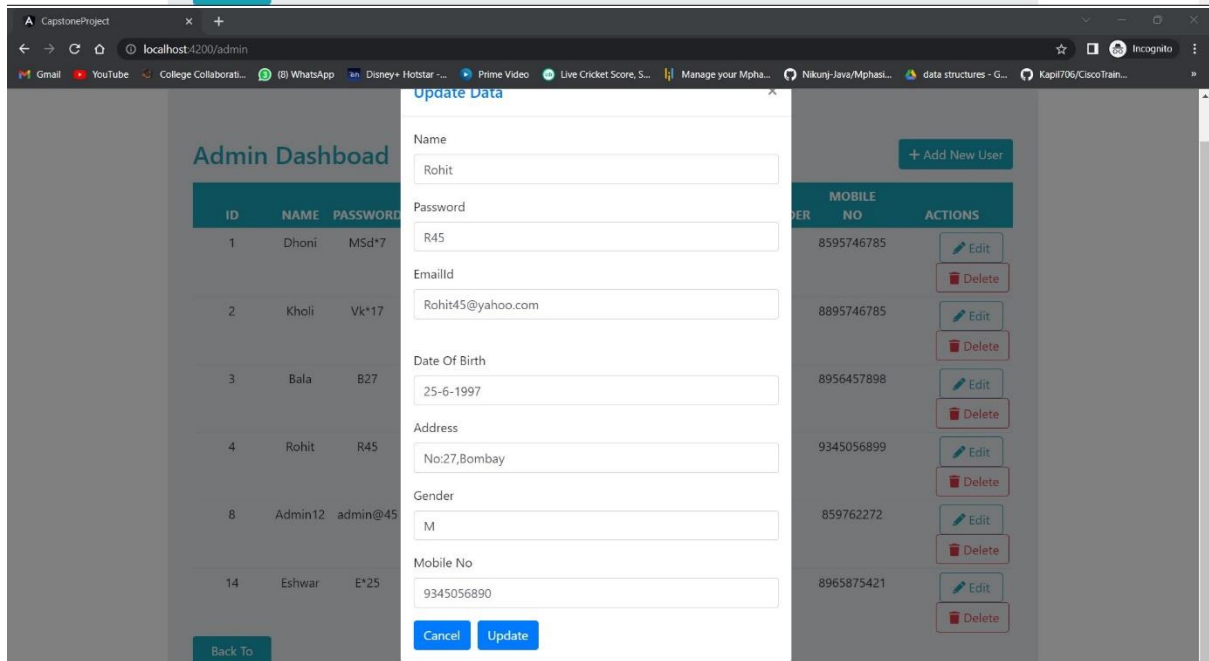

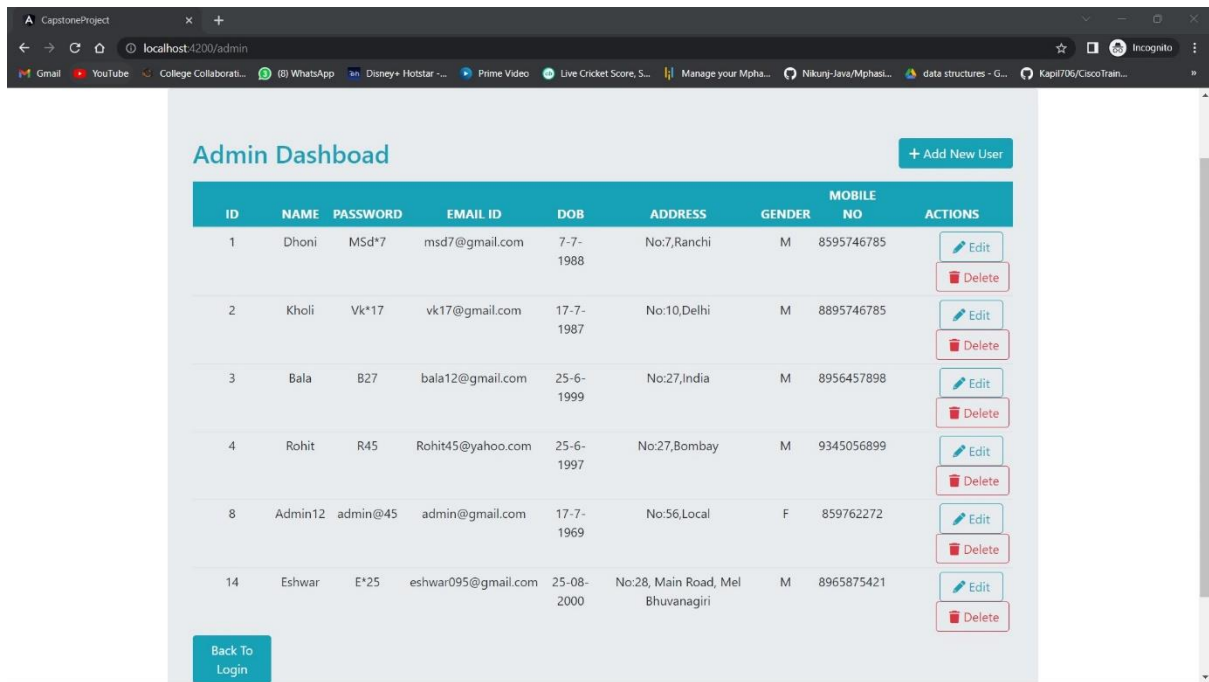

### Admin UI:

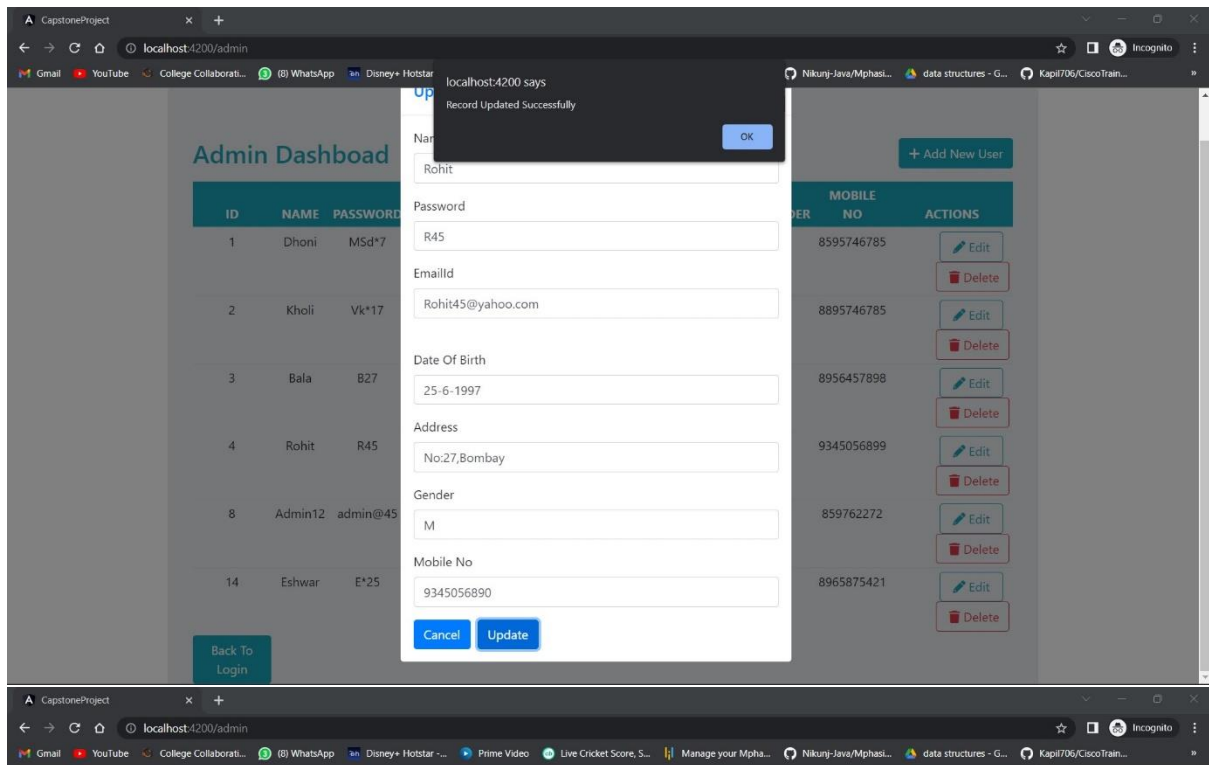

A screenshot of a web browser showing the AADHAAR Admin Login page. The browser's address bar displays 'localhost:4200/adminlogin'. The page features the AADHAAR logo at the top center, which consists of a stylized sun icon above the word 'AADHAAR'. Below the logo, the text 'Admin Login' is centered. The login form includes two input fields: 'Name' with a placeholder 'Enter Name' and 'Password' with a placeholder 'Enter Password'. A green 'Login' button is positioned below the password field. At the bottom left of the form, there is a checkbox labeled 'Remember me' which is currently checked. The browser's tab bar shows several open tabs, including 'CapstoneProject', 'Gmail', 'YouTube', 'College Collaborati...', 'WhatsApp', 'Disney+ Hotstar', 'Prime Video', 'Live Cricket Score, S...', 'Manage your Mpha...', 'Nikunj-Java/Mphasi...', 'data structures - G...', and 'Kapi706/CiscoTrain...'.

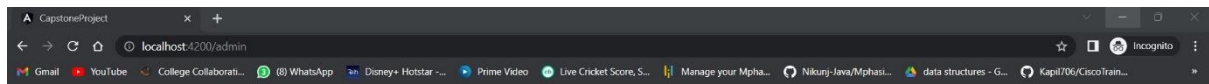

A screenshot of the same AADHAAR Admin Login page, but with an error message displayed. A dark grey modal box is centered on the screen, containing the text 'localhost:4200 says' and 'Invalid Admin' in white. An 'OK' button is located at the bottom right of the modal. The background shows the login form with the 'Name' field containing the text 'vmm' and the 'Password' field showing masked characters '...'. The 'Remember me' checkbox remains checked. The browser's address bar and tab bar are identical to the previous screenshot.
